

The micro-millenn

We are living in the age of electronics and computer science – a silent revolution which is changing our way of life. Now is the time to make your move and keep up to date with this extraordinary force of progress.

ITEC is for everyone who wants to step into the micro-millennium with real awareness, and play an active part in the exciting era that awaits us!

You owe it to yourself to understand the new technology – how it will affect you, and how it can be used to your advantage.
